

2024 3rd International Conference on Frontiers of Artificial Intelligence and Machine Learning

Yichang, China | April 26-28, 2024

International Advisory Committee

Aike Guo

Academician of Chinese Academy of Science
University of Chinese Academy of Sciences, China

Yulong Yin

Academician of Chinese Academy of Engineering
Institute of Subtropical Agriculture,
Chinese Academy of Sciences, China

Chunjiang Zhao

Academician of Chinese Academy of Engineering
Beijing Academy of Agriculture and Forestry Sciences, China

Hikmet Sari

IEEE Life Fellow
Nanjing University of Posts and Telecommunications, China

Honorary Chairs

Kenli Li—Hunan University, China

Shengwu Xiong—Wuhan University of Technology

Conference Chairs

Simon X. Yang—University of Guelph, Canada

Xiaofei Liao—Huazhong University of Science and Technology, China

Rongrong Ji—Xiamen University, China

Guisong Xia—Wuhan University, China

Session Chairs

Luxin Yan—Huazhong University of Science and Technology, China

Jianwen Xiang—Wuhan University of Technology, China

Lefei Zhang—Wuhan University, China

Publication Chairs

Jingcheng Zhang—Hangzhou Dianzi University, China

Zhiwei Ye—Hubei University of Technology, China

Publicity Chairs

Zhigang Tu—Wuhan University, China

Xinrong Hu—Wuhan Textile University, China

Di Wang—Chongqing Jiaotong University, China

Finance Chair

Yi An—Dalian University of Technology, China

Award Chairs

Xiaolong Chen—Naval Aeronautical University, China

Fuhui Zhou—Nanjing University of Aeronautics and Astronautics, China

Xinge You—Huazhong University of Science and Technology, China

Local Chairs

Yurong Hu—Jingchu University of Technology, China

Fangqing Wen—China Three Gorges University, China

Program Chairs

Xiang Bai—Huazhong University of Science and Technology, China

Bo Du—Wuhan University, China

Guan Gui—Nanjing University of Posts and Telecommunications, China

Program Co-Chairs

Mahmoud Shafik—University of Derby, UK

Wenjiang Huang—Aerospace Information Research Institute Chinese Academy of Sciences, China

Guang Feng—Huazhong University of Science and Technology, China

Liangyun Liu—Aerospace Information Research Institute Chinese Academy of Sciences, China

Program Committee

Anxiang Lu—Institute of Quality Standard and Testing Technology, China

Fei Guo—Wuhan University, China

Chuanheng Sun—Information Technology Research Center Beijing Academy of Agriculture and Forestry Sciences, China

Introduction

China Three Gorges University will be organizing 2024 3rd International Conference on Frontiers of Artificial Intelligence and Machine Learning (FAIML 2024) which will be held in Yichang, China on April 26-28, 2024. It is co-organized by Wuhan University, Huazhong University of Science and Technology, and Nanjing University of Posts and Telecommunications. FAIML 2024 welcomes academics, researchers, engineers, and industry professionals to an open forum where advances and trends in the related fields of artificial intelligence and machine learning can be shared and discussed.

Organized by:  三峡大学
CHINA THREE GORGES UNIVERSITY

Co-organized by:  武汉大学
WUHAN UNIVERSITY  华中科技大学
HUAZHONG UNIVERSITY OF SCIENCE AND TECHNOLOGY  南京邮电大学
Nanjing University of Posts and Telecommunications

Keynote Speakers

Prof. Xiang Bai—Huazhong University of Science and Technology, China

Prof. Bo Du—Wuhan University, China

Prof. Guan Gui—Nanjing University of Posts and Telecommunications, China

Topics of interest

- Adaptive and Flexible Industrial Robotics
- Advanced Tool Condition Monitoring
- Agriculture Robots
- AI Planning for Robotics
- Airspace Control, Traffic and Transportation
- Artificial Intelligence and Technology
- Automated reasoning
- Automation, Mechatronics and Robotics
- Autonomous Vehicles
- Bioinformatics
- Business Intelligence
- Business Intelligence in Health Care
- Business Process Intelligence
- Cognitive Robotics
- Computational Chemistry and Biology
- Computer Vision and Object Recognition
- Concurrent and Parallel Processing
- Coordination in Robotics
- Deep Learning
- Diagnostic Assistance
- Distributed Intelligent Processing
- Electronic Health Records
- Evolutionary Design
- Expert Systems
- Fuzzy Computing with Words
- Fuzzy Control
- Fuzzy Logic
- Fuzzy Optimisation
- Genomic Data
- Humanoid Robotics
- Intelligent Data Analysis
- Intelligent Data Mining
- Intelligent Database Systems
